### VALUES

- **Theology:** Our guide for loving God and loving our neighbors \*
- **Family:** Children, youth, single, married, divorced or widowed, the family is at the core of our life and ministry
  - Children – we **affirm and support** the family’s central role in passing on faith
  - Youth – we **equip** our youth to live confidently in a secular world
  - Adults – we **provide** opportunities for growth and service
- **Meaningful Relationships:** We seek to foster lasting relationships within the congregation and in our communities
- **Neighbors:** We love our neighbors, who bear the image of God, and seek to welcome them to our family

\*Our theology is based on Scripture alone as explained in our Lutheran Confessions

**VISION:** We are a faith family that invites, connects and equips people to know the risen Savior (the “action” words are directed internally so that we can focus externally)
